SUBJECT: **City Auditor Activity Report – July 2010**

It includes the audit reports issued and other accomplishments during this period, the status of current audit projects and activities, and a summary of planned audits that we have not yet started.

http://www.sandiego.gov/auditor/reports/hotline_pdf/hotline_q4_fy10_update.pdf
- July 13, 2010 – Staff participated in a training focused on Improving Audit Efficiency and developing audit plans. Under Government Auditing Standards, each auditor is required to perform 80 hours of continuous professional development, and this training provided a cost-effective seven hours towards the requirement. The City Auditor's Office partnered with the Public Utilities Internal Controls group to host Drummond Kahn, Portland's Director of Internal Audit.

Audit Reports and Accomplishments (Continued):

- July 21, 2010 – Hotline Investigation Report of Abuse from the Sale of Scrap Metal. We conducted an investigation in response to a complaint made to the City's Fraud Hotline. The complaint alleged that employees of a division in the General Services Department sold scrap metal salvaged from City projects for approximately \$5,000 and intentionally diverted \$3,000 of the proceeds of the sale to purchase raffle items for the raffle held at the Safety Awards banquet in 2009. The investigation concluded that the allegation is substantiated. The report can be found on our website at:
http://www.sandiego.gov/auditor/reports/hotline_pdf/hotline_gen_srvcs_scrp-mtl_report.pdf
- July 29, 2010 – Issued our Central Stores Agreed-Upon Procedures Inventory Count for FY 2010. This inventory count is required by San Diego Municipal Code §22.0501. The review consisted of comparing the City's physical inventory in its three storerooms to the inventory stock record. We found that the physical count of items on hand did not match the City inventory records in 59 instances. As a result, the actual inventory value of stock items tested is \$2,442.24, or 1.4%, greater than Central Stores' records. The report can be found on our website at:
